

Engage Student- Led Revival Teams Team Member Application

The SBTC Engage Team program exists to evangelize the lost and revitalize churches through revival services, evangelistic training and encounters, and children's and youth activities.

The SBTC has the following objectives for the program:

- Evangelize lost children, youth, and adults in host communities.
- Train and engage youth in personal evangelism.
- Revive a passion for evangelism in host churches.
- Develop a pattern of evangelism in the lives of Engage Team members.

Engage Teams will each consist of three college/seminary students who will each be responsible for a specific ministry of the team, with one person assuming two responsibilities. The team will consist of the following leadership components:

- Preacher/Team Leader
- Music Leader
- Youth Leader
- Children's Leader

While the entire team will work together to carry out every aspect of the ministry, one person will take the lead in the coordination of each element.

The teams will conduct Sunday through Wednesday revival meetings, and a Thursday evening youth rally at the host church. During the day on Monday through Thursday, the teams will conduct prayer breakfasts and kid's camps in the morning and evangelism training/outreach in the afternoons. The team will have the day off on Friday. On Saturday, they will travel to the next church, meet with the staff and revival preparation team, and prepare for the week ahead. All team members will go through an intensive three-day orientation retreat at the beginning of the summer.
